Subject: Southwest Michigan Bikeway Route Signage

Date: Thu, Aug 30, 2018 9:05 am

Dear Kalamazoo Region Bike Route Committee,

I reaffirm that the Department of Public Services will use the M1-8A sign for the Southwest Michigan Bikeway routes for routes identified in Map No.7 for which we have jurisdictional and operational control. We will take appropriate steps to ensure the use of the KRBRC's design when erecting signs along those routes, together with Kalamazoo Region Bike Route Committee's recommended Michigan Manual of Uniform Traffic Control Devices (MMUTCD) additional supplemental signs (turn arrows and destination/distance/direction placards).

We are looking forward to signing Oakland Drive in partnership with the City of Portage as the SW Michigan Bikeway. This will be the first signed route of several routes designated in Map No.7 of the KATS non-motorized plan.

Thanks,

James J. Baker, PE
